

**NOISE Monitoring Data - Monthly Summary**

Month	<b>Jun-18</b>	
EPL Licence	<b>20851</b>	Project <b>Westconnex Enabling - Airport East Precinct</b>
EPL weblink	<a href="http://www.epa.nsw.gov.au/prpoeoapp/ViewPOEOLicence.aspx?DOCID=110002&amp;SYSUID=1&amp;LICID=20851">http://www.epa.nsw.gov.au/prpoeoapp/ViewPOEOLicence.aspx?DOCID=110002&amp;SYSUID=1&amp;LICID=20851</a>	
Specific EPL licence monitoring conditions for noise	<b>Condition L2 - Noise limits</b>	<b>Condition L3 - Out of Hours Works</b>

Monitoring location	Number of times monitored during the month	Attended or continuous monitoring	Event based monitoring (Y/N)	Parameter eg. Laq (15min)	Min value dB(A) for month	Max value dB(A) for month	Goals / targets dB(A)	Observations
1 Wentworth Avenue	1	Attended	Y	Leq	65	65	77	<p><b>Observations</b>                      Continuous road traffic including heavy vehicles on Botany Road and Wentworth Avenue were audible.                      Only activity in operation within the vicinity were the dewatering pump located within the Wentworth Avenue Compound.                      Works were inaudible with dominant noise source from continuous road traffic.                      No community noise complaint received.</p>
8 Beresford Street	1	Attended	Y	Leq	60.3	60.3	73	<p><b>Observations</b>                      Only activity in operation within the vicinity were the dewatering pump located within the Wentworth Avenue Compound.                      Works were inaudible with dominant noise source from continuous road traffic.                      No community noise complaint received.</p>
3 Wentworth Avenue	1	Attended	Y	Leq	68.6	68.6	72	<p><b>Observations</b>                      Continuous road traffic including heavy vehicles on Botany Road and Wentworth Avenue were audible.                      Construction activities included: excavators, sucker truck, light vehicles and light towers.                      Works were predominantly inaudible with dominant noise source from continuous road traffic.                      No community noise complaint received.</p>
34 Baxter Road	1	Attended	Y	Leq	50.9	50.9	71	<p><b>Observations</b>                      Continuous road traffic including heavy vehicles on Joyce Drive were audible.                      Construction activities included: road works, excavator,                      Works were predominantly inaudible with dominant noise source from road traffic.                      No community noise complaint received.</p>
87 Hardie Street	1	Attended	Y	Leq	57.2	57.2	66	<p><b>Observations</b>                      Continuous road traffic including heavy vehicles on Botany Road and Wentworth Avenue were audible.                      Construction activities included: mobilisation for sheet piling, excavator with hydraulic hammer, light vehicles, sucker truck, saw cutter and franna.                      Construction works were intermittently audible during monitoring event with dominant noise source from road traffic.                      No community noise complaint received.</p>
Mantra Hotel	1	Attended	Y	Leq	64	64	78	<p><b>Observations</b>                      Continuous road traffic including heavy vehicles on Joyce Drive were audible.                      Construction activities included: light vehicles, light towers, excavator, flatbed truck, and tipper.                      Freight train and plane engines were audible.                      Works were predominantly inaudible with dominant noise source from continuous road traffic.                      No community noise complaint received.</p>
